KaijuZoo Toys Custom Kaiju Painting Service

Since August 2004, KaijuZoo Toys has been accepting commissions for customizing your favorite kaiju figures with a one-of-a-kind paint job. With your visual ideas, my design suggestions, a full selection of colors and my painting skill, you will own a special collectible you'll be proud to display!

KaijuZoo Toys also has a large selection of unpainted kaiju figures in stock that can be painted to your specifications. And to assist with your purchases, commissions can be placed on a 90-day payment plan with a 1/3 down payment. Just take a look at a few of the almost 100 completed KaijuZoo projects!
